Aurora Silver Interlocking Glass Mosaic is a glass mosaic in silver. It comes on 335 × 285 mm sheets, 8 mm thick. Suitable for wall.

Before you specify.
Glass, stone and porcelain vary between production batches, and natural stone varies tile to tile, so the images here are indicative. Confirm colour and finish against a physical sample from the batch to be supplied, and check current stock with Global Stone before finalising quantities. Specifications are supplied by the manufacturer and may change without notice. Install to the adhesive and grout manufacturer's instructions.
