Greta Black Hexagon Mosaic is a porcelain mosaic in black. It comes on 296 × 256 mm sheets with 110 × 95 mm hexagon tesserae, 6 mm thick. Suitable for wall, floor, shower floor and pool.

Before you specify.
Glass, stone and porcelain vary between production batches, and natural stone varies tile to tile, so the images here are indicative. Confirm colour and finish against a physical sample from the batch to be supplied, and check current stock with Global Stone before finalising quantities. Specifications are supplied by the manufacturer and may change without notice. Install to the adhesive and grout manufacturer's instructions, using pool-rated products for submerged areas.
