Paradise Forest Recycled Glass Inkjet Mosaic is a recycled glass mosaic in brown, green, grey and white. It comes on 298 × 259 mm sheets with 73 × 83 mm hexagon tesserae, 6 mm thick. Suitable for wall, floor, shower floor and pool.

Before you specify.
Glass, stone and porcelain vary between production batches, and natural stone varies tile to tile, so the images here are indicative. Confirm colour and finish against a physical sample from the batch to be supplied, and check current stock with Global Stone before finalising quantities. Specifications are supplied by the manufacturer and may change without notice. Install to the adhesive and grout manufacturer's instructions, using pool-rated products for submerged areas.
