Pewter Green Herringbone Polished Mosaic is a natural stone mosaic in green and grey. It comes on 266 × 325 mm sheets with 23 × 73 mm herringbone tesserae, 8 mm thick. Suitable for wall, floor, shower floor, pool and light commercial.

Before you specify.
Glass, stone and porcelain vary between production batches, and natural stone varies tile to tile, so the images here are indicative. Confirm colour and finish against a physical sample from the batch to be supplied, and check current stock with Global Stone before finalising quantities. Specifications are supplied by the manufacturer and may change without notice. Install to the adhesive and grout manufacturer's instructions, using pool-rated products for submerged areas.
