Quartzite Linear Mosaic is a stone and glass mosaic in quartzite. It comes on 338 × 300 mm sheets with 15 × 48/98/148 mm linear tesserae, 8 mm thick. Suitable for wall.

Before you specify.
Glass, stone and porcelain vary between production batches, and natural stone varies tile to tile, so the images here are indicative. Confirm colour and finish against a physical sample from the batch to be supplied, and check current stock with Global Stone before finalising quantities. Specifications are supplied by the manufacturer and may change without notice. Install to the adhesive and grout manufacturer's instructions.
