At 11.9 sheets per m², plus 10% for cuts and breakages.

Vision Mosaic is a recycled glass mosaic in black and metallic. It comes on 293 × 288 mm sheets with 15 × 6 mm hexagon tesserae, 6 mm thick. Suitable for wall, floor, shower floor and pool.

Before you specify.
Glass, stone and porcelain vary between production batches, and natural stone varies tile to tile, so the images here are indicative. Confirm colour and finish against a physical sample from the batch to be supplied, and check current stock with Global Stone before finalising quantities. Specifications are supplied by the manufacturer and may change without notice. Install to the adhesive and grout manufacturer's instructions, using pool-rated products for submerged areas.
